Montana District Level Four-year Adjusted Cohort Graduation Report

Graduation class of 2011

Calculation of Graduation Pct = (Graduates)/ (Graduates + Dropouts + Continuing Students)

Counts below 10 are suppressed: If no value in row is above 10, percentage is suppressed.

Student Groups provided if any student in the cohort is a member of that student group

Race/ Ethnicity determined by final student enrollment race value.

Student is placed in Economically Disadvantaged, Special Education and/or Limited English Proficient student group if any enrollment in a Montana high school is in these categories.

Information reported from Office of Public Instruction Achievement in Montana (AIM) student information system.
